INSTRUCTIONS FOR FILING WELFARE EXEMPTION SUPPLEMENTAL AFFIDAVIT HOUSING — LOWER INCOME HOUSEHOLDS

FILING OF AFFIDAVIT

This affidavit is required under the provisions of sections 214(g), 214.15, 251, and 254.5 of the Revenue and Taxation Code and must be filed when seeking exemption on low-income housing property owned and operated by a nonprofit corporation or eligible limited liability company. A separate affidavit must be filed for each location and the income of the occupants must not exceed certain limits (see section 4 of the claim form). This affidavit supplements the claim for welfare exemption and must be filed with the county assessor by February 15 to avoid a late filing penalty under section 270. If you do not complete and file this form, you may be denied the exemption. The claimant should provide each household living on the property with a copy of form BOE-267-L-A, Lower Income Households - Family Household Income Reporting Worksheet.

The organization claiming the exemption keeps the completed, signed statements in case of further audit. <u>Do not submit the worksheets with your filing.</u>

FISCAL YEAR

The fiscal year for which an exemption is sought must be entered correctly. The proper fiscal year follows the lien date (12:01 a.m., January 1) as of which the taxable or exempt status of the property is determined. For example, a person filing a timely claim in February 2011 would enter "2011-2012" on line four of the claim; a "2010-2011" entry on a claim filed in February 2011 would signify that a late claim was being filed for the preceding fiscal year.

SECTION 1. Identification of Applicant.

Identify the name of the organization seeking exemption on the low-income housing property, corporate identification number or LLC number, and mailing address.

SECTION 2. Identification of Property

Identify the location of the low-income housing property, county in which the property is located, and the date the property was acquired by the organization.

SECTION 3. Government Financing or Tax Credits; Use Restriction.

Check all applicable boxes to certify if: (1) the property use is restricted to low-income housing by a recorded regulatory agreement or recorded deed restriction or other legal document, and (2) the funds that would have been necessary to pay property taxes are used to maintain the affordability of the housing or to reduce the rents for the units occupied by lower income households, and (3) the property receives either federal low-income housing tax credits or government financing or 90 percent or more of the occupants of the property are lower income households whose rent does not exceed the rent prescribed by section 50053 of the Health and Safety Code.

SECTION 4. Household Information.

Include a list of households that qualify for exemption based on the maximum income level for the county for the claim year where the property is located (see dollar amount on table). Also, please indicate which vacant units are held for low-income housing tenants.
