☐ YES ☐ NO The property owner, primary contractor, civil or structural engineer, or architect has certified to building department those portions of the project that are seismic retrofitting components, as defined to					
by Revenue and Taxation Code section 74.5(b)(2).					
Section 74.5 of the R	evenue and Taxation Cod	de excludes from assessr	ment that portion of	of an existing structure	that consists of the
construction and reconstruction of seismic components.					
In order to receive the	exclusion, this claim form	n must be filed with the as	sessor prior to, or	within 30 days of, compl	etion of the project.
All documents necessary to support the exclusion must be filed with the Assessor by the property owner not later than six months after					
completion of the proje	ect.				
The property owner, p	orimary contractor, civil or	structural engineer, or ar	chitect shall certify	to the building departr	nent those portions
		onents, as defined by Rev			
		port to the Assessor the c			
components.					
For purposes of section	n 74.5				
(1) "Seismic retrofitting components" means seismic retrofitting improvements and improvements utilizing earthquake hazard mitigation					
technologies.					
(2) "Seismic retrofitting improvements" means retrofitting or reconstruction of an existing building or structure, to abate falling hazards					
from structural or nonstructural components of any building or structure including, but not limited to, parapets, appendages, cornices, hanging objects, and building cladding that pose serious danger. "Seismic retrofitting improvements" also means either structural					
		ssary to resist seismic for			
		as to significantly reduce h			
		nts during and immediately			
		ng, electrical, or other adde c retrofitting" includes, but			
		onservation of the Internation			Appendix Chapters
		mitigation technologies" n			identified by a local
		ne event of an earthquake			
		its shall use technologies			
		de and similar seismic pro			9
	THIS EXCLUSION FXF	PIRES UPON CHANGE IN	NOWNERSHIP OF	THE PROPERTY.
