INSTRUCTIONS

The Assessor may provide forms to allocate by code area the property described in this statement. All property (wells, pump houses, pumping plants, reservoirs, tanks, pipe lines, services, etc.) located on land owned by the assessee must be identified by the Assessor's Parcel Number of the land upon which located. If additional space is needed, attach a schedule that lists the parcel numbers.

The exact location of personal property (office furniture and equipment, other equipment, unlicensed equipment, construction work in progress, materials and supplies) on the land owned by the assessee, must be identified by the Assessor's Parcel Number of the land upon which located. If additional space is needed, attach a schedule that lists the parcel numbers.

Each system which is not connected to any other system by pipe lines or canals is considered to be a unit for appraisal purposes.

If costs are available, complete the schedule of Financial Data on the front of the property statement, along with the statistical data on the reverse side.

If cost data is not available and it is not feasible to develop cost, a description of the physical property, with date of construction or installation and original costs, should be reported in the schedule headed, Statistical Data as of December 31, 20 ______.

DECLARATION BY ASSESSEE

The law requires that this property statement, regardless of where it is executed, shall be declared to be true under penalty of perjury under the laws of the State of California. The declaration must be signed by the assessee, a duly appointed fiduciary, or a person authorized to sign on behalf of the assessee. In the case of a corporation, the declaration must be signed by an officer or by an employee or agent who has been designated in writing by the board of directors, by name or by title, to sign the declaration on behalf of the corporation. In the case of a partnership, the declaration must be signed by a partner or an authorized employee or agent. In the case of a Limited Liability Company (LLC), the declaration must be signed by an LLC manager, or by a member where there is no manager, or by an employee or agent designated by the LLC manager or by the members to sign on behalf of the LLC.

When signed by an employee or agent, other than a member of the bar, a certified public accountant, a public accountant, an enrolled agent or a duly appointed fiduciary, the assessee's written authorization of the employee or agent to sign the declaration on behalf of the assessee must be filed with the Assessor. The Assessor may at any time require a person who signs a property statement and who is required to have written authorization to provide proof of authorization.

A property statement that is not signed and executed in accordance with the foregoing instructions is not validly filed. The penalty imposed by section 463 of the Revenue and Taxation Code for failure to file is applicable to unsigned property statements.
