When applying for an exemption pursuant to this section, the claimant shall attach to that application a certificate of attendance from the event coordinator of the event at which the aircraft was displayed as required by this paragraph.
 - (c) When claiming an exemption pursuant to this section, the claimant shall provide all information required and answer all questions contained in an affidavit furnished by the assessor. The claimant shall sign the affidavit, under penalty of perjury. The Assessor may require additional proof of the information or answers provided in the affidavit before allowing the exemption.
 - (d) For purposes of this section, "aircraft of historical significance" means any aircraft that is an original, restored, or replica of a heavier than air powered aircraft that is 35 years or older or any aircraft of a type or model of which there are fewer than five in number known to exist worldwide.
 - (e) A fee of thirty-five dollars (\$35) shall be charged and collected by the assessor upon the **initial** application for an exemption pursuant to this section. [Emphasis added.]
