INSTRUCTIONS FOR FILING WELFARE EXEMPTION SUPPLEMENTAL AFFIDAVIT HOUSING — LOWER INCOME HOUSEHOLDS

FILING OF AFFIDAVIT

This affidavit is required under the provisions of sections 214(g), 214.15, 251, and 254.5 of the Revenue and Taxation Code and must be filed when seeking exemption on low-income housing property owned and operated by a nonprofit corporation or eligible limited liability company. A separate affidavit must be filed for each location and the income of the occupants must not exceed certain limits (see section 4 of the claim form). This affidavit supplements the claim for Welfare Exemption and must be filed with the county assessor by February 15 to avoid a late filing penalty under section 270. If you do not complete and file this form, you may be denied the exemption. The claimant should provide each household living on the property with a copy of form BOE-267-L-A, Lower Income Households - Family Household Income Reporting Worksheet.

The organization claiming the exemption keeps the completed, signed statements in case of further audit. Do not submit the worksheets with your filing.

FISCAL YEAR

The fiscal year for which an exemption is sought must be entered correctly. The proper fiscal year follows the lien date (12:01 a.m., January 1) as of which the taxable or exempt status of the property is determined. For example, a person filing a timely claim in February 2015 would enter "2015-2016" on line four of the claim; a "2014-2015" entry on a claim filed in February 2015 would signify that a late claim was being filed for the preceding fiscal year.

SECTION 1. Identification of Applicant.

Identify the name of the organization seeking exemption on the low-income housing property, corporate identification number or LLC number, and mailing address. Identify the Organizational Clearance Certificate (OCC) No. of the organization issued by the State Board of Equalization (Board).

SECTION 2. Identification of Property.

Identify the location of the low-income housing property, county in which the property is located, and the date the property was acquired by the organization.

SECTION 3. Government Financing or Tax Credits; Use Restriction.

Check all applicable boxes to certify if: (1) the property use is restricted to low-income housing by a recorded regulatory agreement or recorded deed restriction or other legal document, and (2) the funds that would have been necessary to pay property taxes are used to maintain the affordability of the housing or to reduce the rents for the units occupied by lower income households, and (3) the property receives either federal low-income housing tax credits or government financing or 90 percent or more of the occupants of the property are lower income households whose rent does not exceed the rent prescribed by section 50053 of the Health and Safety Code.

SECTION 4. Household Information.

Include a list of households that qualify for exemption based on the maximum income level for the county for the claim year where the property is located (see dollar amount on table). Also, please list vacant units held for low-income housing tenants.

INSTRUCTIONS FOR FILING WELFARE EXEMPTION SUPPLEMENTAL AFFIDAVIT HOUSING — LOWER INCOME HOUSEHOLDS

SECTION 4C.

Revenue and Taxation Code section 214(g)(1) amended January 1, 2015 states rental housing and "related facilities" is entitled to a partial exemption equal to that percentage of the value of the property that is equal to the percentage that the number of units serving lower income households represents of the total number of residential units. The percentage determined shall apply to the total value of both improvements and land. Identify the number of units designated for use by or serving lower income households and the total number of residential units for the property.

Units Serving Lower Income Households.

"Units serving lower income households" shall mean units that are occupied by lower income households at an affordable rent, as defined in section 50053 of the Health and Safety Code or, to the extent that the terms of federal, state, or local financing or financial assistance conflicts with section 50053, rents that do not exceed those prescribed by the terms of the financing or financial assistance. Units reserved for lower income households at an affordable rent that are temporarily vacant due to tenant turnover or repairs shall be counted as occupied.

Related Facilities.

Revenue and Taxation Code section 214(g)(3)(B) states "related facilities" means any manager's units and any and all common area spaces that are included within the physical boundaries of the rental housing development, including, but not limited to, common area space, walkways, balconies, patios, clubhouse space, meeting rooms, laundry facilities, and parking areas, except any portions of the overall development that are nonexempt commercial space.

SECTION 4D.

This section requests information on any nonexempt commercial space. If applicable, briefly describe the nonexempt commercial space (i.e., multi-story building with residential use on floors 2-5 and retail space on ground floor.)
