For property tax exemption purposes, a unit is considered occupied by a lower income household if the occupants were qualified when their occupancy began, as long as the household income is not above 140% of area median income ("over-income" tenants), the unit is rent restricted, and the property receives federal low-income housing tax credits. See Revenue and Taxation Code section 214(g)(2)(A)(iii).

If you are filing this supplemental affidavit with BOE-267 (First Filing), submit a copy of the regulatory agreement or recorded deed restriction.

- B. The funds which would have been necessary to pay property taxes are used to maintain the affordability of, reduce rents otherwise necessary for, the units occupied by lower-income households.
