GENERAL INFORMATION

The Welfare Exemption is available only to property, real or personal, **owned** by a religious, charitable, hospital, or scientific organization and **used exclusively** for religious, charitable, hospital, or scientific purposes. It is also available on a taxable possessory interest in publically owned real property used for exempt purposes by an organization that qualifies for the welfare exemption. A public owner is a local, state or federal agency.

To be eligible for the full exemption, the claimant **must** file a claim each year on or before February 15. Only 90 percent of any tax, penalty, or interest may be canceled or refunded when a claim is filed between February 16 and December 31 of the current year. If the application is filed on or after January 1 of the next year, only 85 percent of any tax, penalty, or interest may be canceled or refunded. The tax, penalty, and interest for a given year may not exceed \$250. A separate claim must be completed and filed for each property for which exemption is sought.

In accordance with Revenue and Taxation Code section 254.5(b)(2), the assessor may institute an audit or verification of the property's use to determine whether both the owner and user of the property meet the requirements of Revenue and Taxation Code section 214.
