OFFICIAL REQUEST

DO NOT RETURN THESE INSTRUCTIONS

California law prescribes a yearly ad valorem tax based on property as it exists at 12:01 a.m. on January 1 (tax lien date). This form constitutes an official request that you declare all assessable agricultural property situated in this county which you owned, claimed, possessed, controlled, or managed on the tax lien date, and that you sign (under penalty of perjury) and return the statement to the Assessor's Office by the date cited on the face of the form as required by law. Failure to file the statement during the time provided in section 441 of the Revenue and Taxation Code will compel the Assessor to estimate the value of your property from other information in the Assessor's possession and add a penalty of 10 percent of the assessed value as required by section 463 of the Code.

If you own taxable personal property in any county whose aggregate cost is \$100,000 or more for any assessment year, you **must** file a property statement with the Assessor of that county whether or not you are requested to do so. Any person not otherwise required to file a statement shall do so upon request of the Assessor regardless of aggregate cost. The Assessor of the county will supply you with a form upon request.

Except for the "DECLARATION BY ASSESSEE" section, you may furnish attachments in lieu of entering the information on this property statement. However, such attachments must contain **all** the information requested by the statement and these instructions, the attachments must be in a format acceptable to the Assessor, and the property statement must contain appropriate references to the attachments and must be properly signed. In all instances, you must return the original BOE-571-A.

THIS STATEMENT IS SUBJECT TO AUDIT. THIS STATEMENT IS NOT
A PUBLIC DOCUMENT. THE
INFORMATION DECLARED WILL
BE HELD SECRET BY THE ASSESSOR.

IF ANY SITUATION EXISTS WHICH NECESSITATES A DEVIATION FROM TOTAL COST PER BOOKS AND RECORDS, FULLY EXPLAIN ALL ADJUSTMENTS.

Equipment out on lease should not be included here; report such equipment, per instructions, on line 6. Include equipment acquired through a lease-purchase agreement at the selling price effective at the inception of the lease and report the year of the lease as the year of acquisition (if final payment has **not** been made, report such equipment in Part IV). If you own machinery and equipment at another location in this county and you did not receive a form for reporting equipment at that location, or if your equipment is temporarily outside the county, attach a schedule to this statement showing the location of the equipment and provide the information requested in this schedule. Report all machinery and equipment, whether fully depreciated or not, including implements of husbandry, special mobile equipment (SE Plates), and other vehicles exempt from licensing and registration under Division 16 of the Vehicle Code. Do not include licensed vehicles designed primarily for the transportation of persons or property on a highway.

The reported cost should include excise taxes, sales or use taxes, freight charges, and installation costs. If a trade-in was deducted, the amount to be entered is the invoice price (adding back the trade-in). Deductions for investment credits allowable for federal income tax purposes may not be taken and must be added back if deducted when the cost was entered on your books and records. Include expenses incurred immediately after purchase to bring a machine up to operable condition. As mentioned in Schedule C, the value of self-construction must be included.
