## **General Information**

The purpose of this claim is to inform the assessor that the assessee is a "bank or a financial corporation" exempt from personal property tax. The franchise tax imposed on general corporations in California is specified in Revenue and Taxation Code section 23151. Section 23186 specifies the franchise tax rate for banks and financial corporations. Each corporation (entity) stands on its own (even if combined returns are filed) when determining which franchise tax rate is to be imposed on net income.

A financial corporation is one which deals primarily in moneyed capital as distinguished from other commodities **and** whose predominant activities are in substantial competition with the activities of national banks.

If the firm is **not** subject to the franchise tax rate specified in section 23186, the firm is not a bank or financial corporation and does not qualify for the personal property exemption under section 23182. The personal property of state chartered credit unions, however, is exempt from property taxation.
