OFFICIAL REQUEST

Pursuant to California Revenue and Taxation Code section 5362, the Assessor of the county in which an aircraft is habitually situated shall assess the aircraft at its market value. The Assessor's records indicate that you are the owner of the aircraft identified on page 1 of this form. In accordance with section 5365, you are required to complete this form according to the instructions. Pursuant to section 5367, failure to return this form by the specified due date will require the Assessor to add a 10% penalty to the market value of your aircraft.

This statement is not a public document. In accordance with Revenue and Taxation Code section 451, the information contained herein will be held secret by the Assessor. It can only be disclosed to the district attorney, grand jury, and other agencies specified in section 408. Attached schedules are considered to be part of the statement.

GENERAL INSTRUCTIONS

ALL INFORMATION PROVIDED SHOULD BE AS OF JANUARY 1.

SECTION I.

This section must be completed annually. Specific information is required to correctly determine the value of the aircraft

STATEMENT OF CONDITION: Using the information below, check the box that reflects the condition of your aircraft as of January 1:

New: An aircraft that is new or is maintained in new condition.

Good: Paint and airframe are in near new condition. Minor scratches. Windows clear with no crazing or discoloration. Interior is in near new condition. Simple cleaning removes any smell, dirt or matting.

Average: Paint is generally sound and attractive. Slight oxidation can be easily polished out leaving paint shiny. Small scratches, chips or dents can be found especially in high use areas. Windows have milky edges, some crazing or light scratches. The interior use shows minor fraying, stains, or cracking. Cleaning and shampooing will make the interior look attractive. Aircraft certificate is current, 6 months annual, ½ TBO (Time Between Overhauls), ADs (Air Worthiness Directives) complied.

Poor: Paint is badly oxidized, peeled and blemished. Most leading edges and upper surfaces are chipped, crazed, dented, and oxidized. All windows crazed and scratched. After touch-up and polishing, aircraft still looks unsightly. Needs new paint. Interior shows high use, scratches, tear, snags, frayed fabric, exposed foam, peeling laminates, and loose panels. Interior looks and smells dirty after cleaning and needs replacement. Aircraft has not flown, is out of annual, engine is run out and will not pass inspection, ADs not complied.

AVIONICS SUMMARY: Indicate the date of acquisition and the condition of existing avionics equipment. List any additional avionics and their cost under "Non-factory avionics added in last calendar year." For condition, please enter *N* for new, *A* for average, and *P* for poor.

DAMAGE HISTORY: To report damage history, attach a statement indicating the type of damage, date of damage, copy of report made to FAA, and maintenance log and repairs made.

EQUIPMENT LEASED, EXCHANGED, ADDED OR RETIRED:

Leased: If you lease equipment in connection with this aircraft's operation, attach a schedule listing the name and address of the owner, description of the leased property, cost if purchased, and annual rent.

Exchanged: Attach a schedule listing any exchange of equipment since purchase.

Additions or Retirements: From date of acquisition of aircraft to last day in December of last year if you have added or retired equipment, attach a schedule listing the description of the equipment, date added or retired, and the cost of equipment added or retired.

FRACTIONAL OWNERSHIP: If the aircraft is enrolled in a Fractional Ownership Program, forms BOE-570-FO (-1, -2) must be filed.

SECTION II.

This section must be completed if filing for the first time or if there have been any changes within the last calendar year.

ADDITIONAL INFORMATION: Attach a statement regarding any additional information you feel would assist the Assessor in valuing your aircraft.

DECLARATION BY ASSESSEE

The law requires that this property statement, regardless of where it is executed, shall be declared to be true under penalty of perjury under the laws of the State of California. The declaration must be signed by the assessee, a duly appointed fiduciary, or a person authorized to sign on behalf of the assessee. In the case of a corporation, the declaration must be signed by an officer or by an employee or agent who has been designated in writing by the board of directors, by name or by title, to sign the declaration on behalf of the corporation. In the case of a partnership, the declaration must be signed by a partner or an authorized employee or agent. In the case of a Limited Liability Company (LLC), the declaration must be signed by an LLC manager, or by an employee or agent designated by the LLC manager or by the members to sign on behalf of the LLC.

When signed by an employee or agent, other than a member of the bar, a certified public accountant, a public accountant, an enrolled agent or a duly appointed fiduciary, the assessee's written authorization of the employee or agent to sign the declaration on behalf of the assessee must be filed with the Assessor. The Assessor may at any time require a person who signs a property statement and who is required to have written authorization to provide proof of authorization.

A property statement that is not signed and executed in accordance with the foregoing instructions is not validly filed. The penalty imposed by section 463 of the Revenue and Taxation Code for failure to file is applicable to unsigned property statements.
